I am an author submitting the manuscript, "The Article: Improving the sustainability of shrimp-rice farming system in brackish area: a case study of the Mekong Delta, Vietnam" to Asia-Pacific Journal of Science and Technology. I am writing the cover letter states that data and information using in the manuscript's contents has not been previously published in any other journal, and I am aware of this submission and have no conflict of interest. I would like to submit the article because it was related to my field and knowledge gained from the subject would benefit readers in research and development. I am strongly confident that with new knowledge from this subject will be applied to to education, training, research development at universities.

I hope to have opportunity work with you. Thank you for your consideration. I look forward to hear from you.

Sincerely,
