

AUTHORSHIP STATEMENT

We hereby submit a manuscript of a research/study for publication consideration in the *Indonesian Aquaculture Journal* published by the Center for Fisheries Research, titled: Control of Vibriosis use turmeric-kalmegh extract with different period treatments in whiteleg shrimp in the floating net-cages. We confirm that the provided data in the manuscript are the results of our research activities fish health and diseases in the year of 2016.

We declare that the manuscript is currently not under assessment for publication consideration in other journals or elsewhere and contains no data fabrication/falsification. We confirm that this manuscript is my/our own work, is not copied from other persons' work (published or unpublished), and has been thoroughly checked to avoid plagiarism. The co-authors included in the manuscript have been consulted before the submission of this manuscript. The co-authors' approvals have been retained indicated by their signatures below.

We understood and confirmed that any violation of the aforementioned codes of conduct including plagiarism can cause severe penalties including the withdrawal/retraction of the processed/published article and two years prohibition to publish in all journals managed by the Research Center for Fisheries.

This statement is made to be used accordingly.
