

AUTHORSHIP STATEMENT

We hereby submit a manuscript of a research/study for publication consideration in the *Indonesian Aquaculture Journal* published by the Center for Fisheries Research, titled: *Effect of different substrates on biofilm growth and lipid content of diatom Thalassiosira sp.*

We confirm that the provided data in the manuscript are the results of our research activities focusing on determining the effect of polycarbonate (PC) and polyvinyl chloride (PVC) on growth, biomass accumulation, and lipid content of *Thalassiosira sp.* in the year of 2022.

We declare that the manuscript is currently not under assessment for publication consideration in other journals or elsewhere and contains no data fabrication/falsification. We confirm that this manuscript is our own work, is not copied from other persons' work (published or unpublished), and has been thoroughly checked to avoid plagiarism. The co-authors included in the manuscript have been consulted before the submission of this manuscript. The co-authors' approvals have been retained, indicated by their signatures below.

We understood and confirmed that any violation of the aforementioned codes of conduct including plagiarism can cause severe penalties including the withdrawal/retraction of the processed/published article and two years prohibition to publish in all journals managed by the Research Center for Fisheries.

This statement is made to be used accordingly.
