

AUTHORSHIP STATEMENT

We hereby submitted a manuscript of a research/study to be published in the Indonesian Aquaculture Journal managed by the Research Center for Fisheries, titled: Administration of Synthetic Astaxanthin, Chlorella, and Spirulina in Kurumoi Rainbowfish *Melanotaenia Parva* Diet. The data used and analyzed in the manuscript are the results of our research activities Color Quality in Kurumoi Rainbowfish in the year of 2017-2018.

We declare that the manuscript has not been or is not under assessment for publication in other journals or elsewhere and contains no data fabrication/falsification. We confirm that this manuscript is my/our own work, is not copied from any other person's work (published or unpublished) and has been thoroughly checked to avoid plagiarism. The co-authors included in the manuscript have been consulted prior to the submission of this manuscript and their approvals have been retained indicated by their signatures below.

We understood and confirmed that any violation of the aforementioned codes of conduct including plagiarism can cause severe penalties including the withdrawal of the published article and two years prohibition to publish in all journals managed by the Research Center for Fisheries.

This statement is made to be used accordingly.
