

AUTHORSHIP STATEMENT

We hereby submitted a manuscript of a research/study to publish at the *Indonesian Fisheries Research Journal* managed by the Research Center for Fisheries, titled: “Assessment of sea cucumber fishery in the Mullaitivu Coastal Waters in North-east, Sri Lanka”. The data used and analysed in the manuscript are the results of our research activities of ‘Assessment and monitoring of small pelagic, large pelagic & demersal fishery resources: Sea Cucumber, Chank & Marine Ornamental Fish Collection’ in the year of 2019.

We declare that the manuscript has not been or is not under assessment to publish in other journals or elsewhere and contains no data fabrication/falsification. We confirm that this manuscript is my own work, is not copied from any other person’s work (published or unpublished) and has been thoroughly checked to avoid plagiarism. The co-authors included in the manuscript have been consulted prior to the submission of this manuscript and their approvals have been retained by indicated from their signatures below.

We understood and confirmed that any violation of the aforementioned codes of conduct including plagiarism can cause severe penalties including the withdrawal of the published article and two years prohibition to publish in all journals managed by the Research Center for Fisheries.

This statement is made to be used accordingly.

The first author,
Kasun Randika Dalpathadu
